

Oaklands Junior School

Information sent out:

7th March 2018

Dear Parents/Guardians

The school has just been informed that we have been chosen for the Tesco Bags of Help Scheme. All the money raised through this scheme will go towards a new outdoor gym that the School Council have asked for.

You can support us by asking for the blue tokens when you shop at the Greenwood Road Tesco or the Wokingham Superstore Tesco during March and April and post them in the Oaklands Junior School slot.

Waitrose in Sandhurst are also supporting us though their own similar scheme for this month only, so again if you are shopping there any help with tokens would be gratefully received.

We hope to get as much support as possible towards raising funds to help our children achieve their goal, so please do tell your friends and other family members.

As always many thanks for your support.

Regards

Mrs West
